De familie Kilian heeft zulke leuke foto's @ Mhofu gemaakt.

Ilse: "We had an amazing weekend at Mhofu! We had a lot of animals visiting and it was short 200m walj to the River. Heard lions the 1 evening. Will definitely recommend a stay at Mhofu. Also the most info I've ever received from anyone when booking accommodation and during our stay as updated us on animal sites. Thank you for ensuring we had a great weekend!"
